Driving

(from High Wycombe or Amersham) go to Hazlemere crossroads on the A404 Wycombe to Amersham road. Then take the B474 towards Penn and Beaconsfield. Pass the golf course on the left, and the Mayflower PH on the right. Tudor Road is a right turn opposite the piano shop, and just before a sharp right bend, about 100 yards after the Mayflower PH.

(from London and the M25) exit the westbound M40 at J2 Beaconsfield and take the A355 towards Beaconsfield. Then take the A40 west into the old town, and then the B474 signposted Penn and Hazlemere. After passing Penn pond on the left, the road goes downhill to a crossroads. Keep going up the other side; Tudor Road is immediately after a sharp left hand bend at the top of the hill.

Driving time 15 mins from the M25/M40 junction

By Public Transport

Take the 31 bus to Penn from High Wycombe. (*this stops opposite High Wycombe station if you're coming by train – London Marylebone is only 30 mins*) The bus goes via Hazlemere crossroads and then round the Manor Farm estate. Ask the driver for the stop nearest to the Curzon Avenue / Penn Road junction. Get off here and walk forward to the main road. Turn left along Penn Road. Tudor Road is the first turning on the left, about 100 metres from the bus stop
